I believe that creating an equitable and welcoming work environment, while maintaining innovation and cooperation is the way to go.

EXPERIENCE

10/05/2015 - 20/27/2017

CUSTOMER SERVICE REPRESENTATIVE, Hispanic Services of Guadalajara S.A. de C.V.

My job was to address the customer's concern to provide them with the best interaction as possible with the company.

01/28/2019 - PRESENT

MEDICAL INTERPRETER, Datamark

My job as interpreter is to help with the language barrier between parties in a clinical setting, alongside being a cultural broker and neutral bridge of communication. This requires quick thinking skills, attentive listening, and knowledge of several cultural mannerisms.

EDUCATION

ONGOING

COMPUTER SCIENCE ENGINEERING, UNIVERSIDAD AUTONOMA DE CHIHUAHUA

With this I am obtaining the primary tools I intend to sharpen, to ultimately be an overseer of technological information and media creator.

SKILLS

- Knowledge in screenprints, linocut, monotypes and other printmaking techniques.
- Artwork creation in accordance to customer specifications.
- Deep understanding of communication between technologies.
- I give proper importance to work responsibilities, deadlines, and properly accomplishing my goals is of utmost importance.
- Open minded individual, willing to understand and work with others despite differences.
- While working with a large array of different personalities, I can find middle grounds and create equality.
