I'm motivated freelance video editor, I've loved videogames my whole life, and so I am looking to carve myself a place inside the videogame industry. I'm used to working remotely, specially if its with a team and I'm used to deliver content in strict deadlines.

EXPERIENCE

05/15/2017 – 03/27/2020

ESCALATIONS REPRESENTATIVE, TELEPERFORMANCE

My job was to de escalate issues with customers who lost their faith in our brand trough active listening, problem solving skills, and thinking outside the box.

12/23/2014 – PRESENT

EDITOR AND HOST, TALKING VIDYA

For the last 5 years, I've been creating quality Video Essays related to the geek and gaming world. The channel has over 89,000 subscribers, alongside an ever growing fanbase.

EDUCATION

ONGOING

COMPUTER SCIENCE ENGINEERING, UNIVERSIDAD AUTONOMA DE CHIHUAHUA

My education in the computer science field gives me a different view on the gaming world.

SKILLS

- 5 years of experience with Adobe Suite and Sony Vegas
- Proficient with Audacity and similar audio editing Software.
- Have not missed the two weeks deadline for my Channel.
- High understanding of the Gaming and Esports world.
- Organized and team-oriented mind
